ACKNOWLEDGEMENT

It is not often in life that you get a chance of appreciating and expressing your feelings in black and white to thank the people who have been a crucial part of your successes, your accomplishments and your being what you are today. First and foremost I take this opportunity to thank all the inspirational and exemplary mentors at S.S. Jain Subodh P.G. (Autonomous) College, especially **Dr. K.B. Sharma, Principal** for inculcating and instilling in me the zeal for acquiring knowledge, learning, will-power, values, confidence and diligence required as a management student.

I would like to give special thanks to **Dr. Priti Gupta, Head, Department of BBA, all the faculty members of the department and Ms Anushka Mathur(Faculty Guide)** for their enduring efforts, guidance, patience and enthusiasm that gave me a sense of direction and purposefulness to complete this project successfully.

Last but not the least; I would like to thank my family- my parents and friends for providing me continuous support in completing this project.

The errors and inconsistencies in the project remain my own.
